NOTICE OF PROPOSED RULE MAKING

Adopted: September 3, 1997

Released: September 12, 1997

Comment Date: November 3, 1997

Reply Comment Date: November 18, 1997

By the Chief, Allocations Branch:

1. The Commission considers herein a petition for rule making filed on behalf of Crested Butte Broadcasting Company ("petitioner") requesting the allotment of FM Channel 293A to Crested Butte, Colorado, as that community's first local commercial FM transmission service.¹ Petitioner stated a commitment to apply for Channel 293A if it is allotted to Crested Butte, Colorado, as requested.

2. In further support of its proposal, petitioner advises that the requested allotment of Channel 293A to Crested Butte (population 878)² would provide city grade service to the community,³ and reception service to 2,480 persons within an area of 2,516 square kilometers.

3. A staff analysis of the proposal indicates that Channel 293A can be allotted to the incorporated community of Crested Butte consistent with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission's Rules, without a site restriction, utilizing city reference coordinates 38-52-06 and 106-59-06.

4. In view of the interest expressed in providing a first local commercial FM transmission

¹Petitioner advises that noncommercial Station KBUT(FM), Channel 212A, licensed to serve Crested Butte, has an application pending before the Commission (File No. BPED-9702051A) to relocate its transmitter site away from Crested Butte. If the application is granted, it would leave Crested Butte devoid of any city-grade (3.15 mV/m) signal. Further, petitioner advises that while Crested Butte is located within the 60 dBu contour of Stations KZGO(FM), Glenwood Springs, and KKXK(FM), Montrose, Colorado, due to the irregular terrain surrounding Crested Butte, determination of their signal quality is not possible.

²Population figure was taken from the 1990 U.S. Census.

³See N.1. *supra*.

service to Crested Butte, Colorado, we propose to allot Channel 293A to that community, as requested. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, to include Crested Butte, Colorado, as follows:

City	Channel No	
	Present	Proposed
Crested Butte, Colorado	--	293A
